Multiple footnotes are allowed at the

Base coupe^{1,2,3}

GT coupe^{1,4,5}

¹These coupes can handle

²Base models tend to

³This is the only option

⁴Although labeled as

⁵Final year in which the

{gt} handles complex
footnote marks in the
expected manner

footnotes automatically.

gt always expresses the ordering of

footnotesin>t.

It is straightforward to define

THE

BASICS

ADVANCED HANDLING

Column 1	Column 2 ^a	Column 3
23.42	—	15.24
63.90	21.34	^a 143.70
—	61.93	26.00
1.29	17.60	15.58
−28.02	−10.55	−5.23
86.92	65.23	47.25

^a We, unfortunately, cannot explain this value.

Column 1	Column 2 ^a	Column 3
23.42	—	15.24
63.90	21.34	^b 143.70
—	61.93	26.00
1.29	17.60	15.58
^c −28.02	^c −10.55	^c −5.23
86.92	65.23	47.25

^a This is the column in the middle. The 2nd one.

^b We, unfortunately, cannot explain this value.

^c We don't expect negative values, yet, here they are.
